Become a Registered SCRPC Contractor

Thank you for your interest in becoming a Schoharie County Rural Preservation Corporation (SCRPC) contractor or vendor. SCRPC seeks to establish connections with qualified contractors and vendors for a variety of residential and community-based projects.

MWBE and Section 3 contractors are strongly encouraged to apply.

Initial Contractor Eligibility Requirements

- Two references listing the project name, owner's contact information, location, description of work performed, and project value.
- General liability insurance coverage in the minimum amount of $1,000,000 per occurrence and $2,000,000 aggregate (required when awarded a bid).
- Proof of Workers' Compensation coverage for employees and subcontractors. CE-200 forms are not acceptable. All contractors must carry Workers' Compensation. Additional certifications and insurances may be required (required when awarded a bid).
- Contractors interested in receiving email notifications of projects available for bidding should complete the Contractors Qualification Registration Form. Once approved, contractors will receive a confirmation email, a contractor program summary, and be added to the email notification list.

Return documents to:
